

Join Our MaxLiner® Training Sessions

US TRAINING CENTERS IN CHARLOTTE, NC | ORLANDO, FL

MAXLINER OFFERS A VARIETY OF TRAINING OPPORTUNITIES TO FIT YOUR NEEDS. OUR HANDS-ON APPROACH ENSURES YOU GAIN THE SKILLS AND CONFIDENCE TO GET THE MOST OUT OF YOUR EQUIPMENT.

IN-PERSON, HANDS-ON TRAINING OPTIONS

PICOTE CUTTING AND CLEANING (1-2 DAYS)

- **Basics (1 day):** Review of Picote Millers, equipment setup, and equipment maintenance. Cleaning and reinstatement tooling with an emphasis on proper operating techniques and choosing the right tools to meet project needs.
 ■ Groups up to 4 - \$1,800 | Groups of 4-6* = an additional \$250 per person.
- **Advanced (2 days):** In addition to the content in the 1-day basics course, this 2nd day covers removing failed CIPP liners and concrete/grout including using the Maxi Power+, cleaning P-traps and 90's using the Mini Cleaner and Midi Cleaner, and specialized tools (Smart Spider, Twister Metal Grinder, Pipe Cutters, Grabbers).
 ■ Groups up to 4 - \$3,600 | Groups of 4-6* = an additional \$250 per person.

PICOTE BRUSH COATING™ CERTIFIED INSTALLER (2 DAYS)

- **Become a Picote Brush Coating™ Certified Installer:** Coverage includes pipe preparation, setup and operation of the Smart Mixer, and both Maxi and Mini Coating Pumps, troubleshooting, installation logs, and more! Once certified, you can offer a manufacturer's backed 10-year product warranty.
 ■ Groups up to 4 - \$3,600 | Groups of 4-6* = an additional \$250 per person.

MAXLINER TRENCHLESS CIPP CERTIFICATION (3 DAYS)

- **Become a MaxLiner Certified CIPP Installer:** This in-depth course includes pipe inspection, preparation, CIPP installation, and post inspection procedures. This course will cover the MaxLiner, Picote drum, and Picote cannon inversion systems along with the MaxLiner hotwater curing option and open ended liner techniques.
 ■ Groups up to 4 - \$5,000 | Groups of 4-6* = an additional \$250 per person.
