

Join Our MaxLiner® Training Sessions

US TRAINING CENTERS IN CHARLOTTE, NC | ORLANDO, FL

MAXLINER OFFERS A VARIETY OF TRAINING OPPORTUNITIES TO FIT YOUR NEEDS. OUR HANDS-ON APPROACH ENSURES YOU GAIN THE SKILLS AND CONFIDENCE TO GET THE MOST OUT OF YOUR EQUIPMENT.

IN-PERSON, HANDS-ON TRAINING OPTIONS

MAXLINER TRENCHLESS CIPP CERTIFICATION (3 DAYS)

- **Become a MaxLiner Certified CIPP Installer:** Become a MaxLiner Certified CIPP Installer with hands-on training built around the MaxLiner system. Gain confidence in pipe rehabilitation techniques and best practices while learning the fundamentals needed to deliver consistent, high-quality results in the field. This training covers ambient, hot water, and LED-cured operations.

■ *For groups up to 4 | Groups of 4-6* = an additional \$250 per person \$5,000 in-field training | \$3,600 for CLT Facility*

PICOTE CUTTING AND CLEANING (1-2 DAYS)

- **Advanced (2 days):** In addition to the hands-on content included in the 1-Day Basic Training, this extended program provides deeper instruction in pipe rehabilitation techniques. Day 1 focuses on descaling and pipe preparation, while Day 2 allows participants to choose hands-on training in either robotic cutting or brush casting. Contractors who want to learn both applications can attend an optional Day 3 to complete training in both techniques.

■ *For groups up to 4 | Groups of 4-6* = an additional \$250 per person \$5,000 in-field training | \$3,600 for CLT Facility*
